Re: CDA Credential Assessment Fee Scholarships

Thank you for your interest in the CDA Credential Assessment Fee Scholarship. It is the intent of the Louisiana Pathways Early Learning Center Career Development System Scholarship Program to promote the Child Development Associate (CDA) credential as a meaningful and valid level of training, education, and experience that demonstrates competency as an early care and education practitioner.

Scholarships in the amount of $425.00 will be paid directly to the Council for Professional Recognition for early childhood personnel working in Louisiana Type III licensed early learning centers (Director, Assistant Director, Lead Teacher, or Assistant Teacher at least 16 hours a week) or registered Family Child Care Home providers (must currently be approve to accept CCAP) based upon the following criteria:

Enrollment along with active participation in the Louisiana Pathways Early Learning Center Career Development System.

Completion of the CDA requirements as stated by the Council for Professional Recognition: www.cdacouncil.org.

Completion of the CDA Credential Assessment Fee Scholarship application

CDA obtained with scholarship must meet requirements to obtain an Early Childhood Ancillary Certificate.

High school juniors and seniors enrolled in BESE approved ECAC programs are also eligible as long as their 480 hours of work experience are earned by volunteering in a Type III, star rated Early Learning Center or laboratory school and their 120 hours of child development training are earned while participating in the ECAC program.

To complete the scholarship application process, return the enclosed Scholarship Application Form, CDA Credential Application Checklist (completed and signed by your director, instructor, or CDA mentor), and BESE approved ECAC program transcript or Summary of Training Hours form verifying the completion of at least 120 clock hours (must have at least 10 hours in each of the 8 CDA subject areas).

We will notify you as soon as possible by after reviewing your application. Wait for a response from Louisiana Pathways before officially applying for your CDA Credential with the Council for Professional Recognition. The scholarship award letter will include instructions on how to do so.

Thank you for your commitment to high quality early child care and education in Louisiana. For additional assistance, please feel free to call (318) 677-3147 or (800) 245-8925.
